February 28, 2017

TO WHOM IT MAY CONCERN:

I am writing in support of the PEI Home and School Federation application to the Royalty Rotary Club Grant program for funding for a food program.

The Public Schools Branch supports the principles of the PEI Home and School Federation food program guidelines. We are prepared, in the spirit of supporting the health of our students, to work with the Federation and other government agencies to help design, develop and provide the service.

We look forward to working together to develop a position within one of the departments with the freedom to work with that position to contract with and develop opportunities with other service providers.

I encourage you to consider support for this PEI Home and School Federation initiative on behalf of the students of Prince Edward Island.

Best wishes with your deliberations.

Sincerely,

Parker Grimmer  
Director
