

Bedtime Stories

Central Queens Elementary Home & School Association

2011-2012

President: Catherine Enman (contact: cenman@acicrn.com)

Principal: Denise Gaudet-McPhail

Central Queens Elementary Home & School Association offered a literacy evening with varied events. Students and their families were encouraged to listen to stories read by guest readers, to participate in a book exchange and to learn about reading programs.

The project benefitted:

- ✚ **PARENTS** who learned the benefits of reading with their child and the importance of encouraging reading over the summer.
- ✚ **STUDENTS** who discovered new books and were wowed by the guest readers.
- ✚ **THE COMMUNITY** who benefits from increased literacy and awareness of the reading program at the public library.

How were the parents encouraged to attend?

- ✚ The event was promoted through the school newsletter, the Home and School Facebook page and a reminder note.
