1) Fall Fun Week - we compiled themed raffle baskets (eg: candy, chocolate, self care) of donations from West Kent families and sold raffle tickets (lottery license acquired) for \$2 or 3/\$5. There were 13 baskets in total and ~\$4200 was raised in ticket sales.

nancytaylor8@gmail.com

2) Pizza Day - the last Thursday of Oct. during our fun week, we had pizza day where we pre-sold slices for \$2.50/each. We raised about \$220 which we have earmarked for supporting families in need in our community at Christmas. We plan to do this fundraiser monthly all year long.

3) School Clothing Fundraiser - a portion of proceeds will go to Home and School. Orders are being collected directly from our vendor's website.

4) School cookbook - collect and compile recipes from families (each cohort will be assigned a category of recipe). There is a company based out of Winnipeg that has a website that helps organize the books, and will print and ship. We hope to sell the books for \$15-\$20,

Maritime Fundraisers Charlottetown: 100% online with zero cash and paper forms distributed eliminating all touch and door to door selling; home delivery (for some products) eliminating delivery to schools. Cookie dough fundraisers are using curb side pick up to reduce the # families going in and out of the school.
