

P.E.I. Home and School Federation

Computing and Robotics Kit

Return Items Checklist

<p>Please return kit by:</p> <hr/>

There are two duffle bags, each containing seven (7) Robotics Kit sets, comprised of the following items:

A. Clear Box

- Raspberry Pi micro-computer in a Translucent Case
- 8GB SD HC Card
- Raspberry Pi USB Hub
- 5.2V 3A Power Adapter
- USB to Micro USB Cable
- USB A-B Cable
- HDMI to DVI Cable
- Computing and Robotics for Kids Guide
- Teacher Training CD

B. Lego Education WeDo Manuals

- 4 Colourful Manuals

C. Lego Education WeDo Construction Set

- Please refer to graphical parts list card inside the set

Is there anything missing? Please list below any missing items, so the P.E.I. Home and School Federation can replace them and have the Kit complete and ready for the next school borrowing it.

Quantity	Item	Quantity	Item
_____	_____	_____	_____

NOTE: If an item is missing, the School or Home and School Association will be asked to cover the replacement cost of the item. The following is a sample list of replacement parts:
