CC: Cynthia Fleet, Superintendent, ELSB
Peter Rukavina and Shirley Jay, PEIHS
Bethany MacLeod, PEITF
Stacey Delaney, CUPE

DATE: November 26, 2015

FROM: E. Susan Willis, Deputy Minister

RE: Family of Schools District Advisory Councils

Recently the Minister of Education, Early Learning and Culture announced three Advisory Councils for education. These Advisory Councils are the P.E.I. Learning Partners Advisory Council, Family of Schools District Advisory Council and the P.E.I. Principals' Council. Information on the Family of Schools District Advisory Council is included for your reference. Information regarding these advisory groups is on our website at: <http://www.gov.pe.ca/eecd/learning-partnership>.

The Family of Schools District Advisory Councils are comprised of a representative from each of the School Councils in the Family of Schools. School Councils choose their representative for the Family of Schools District Advisory Committee. We would appreciate having you provide the name and contact information for the representative from your School Council/Home and School who will serve on the Family of Schools District Advisory Council. Please share this letter with your School Council/Home and School.

We anticipate that meetings for District Advisory Councils will be scheduled prior to the end of January 2016. If you require further information regarding this, please contact my office at 902-438-4876.

Thank you for your assistance.
