

P.E.I. Home and School Federation 2026 School Crossing Guard of the Year Award

The Prince Edward Island Home and School Federation is pleased to announce its annual School Crossing Guard of the Year Award. This award recognizes school crossing guards on Prince Edward Island for their service in keeping our students safe as they travel to and from school each day. Parents, guardians, teachers, administrators, staff, and members of the community at large may, through their local Home and School association, nominate a school crossing guard from their school community for this recognition award.

Local Home and School Associations will compile the Nomination Package and submit to the PEI Home and School Federation office by: **November 6, 2026.**

Procedure for nominating and required documentation:

1. Local Home and School Associations nominate individuals at a local meeting.
2. The cover letter is written by the Home and School Association president or another member who has direct knowledge of the nominee's contributions to your school community to describe why your association is nominating this person.
3. Letters of support from other parents and educators in the school community: Provide up to 10 additional letters, as these can provide different perspectives on the nominee's contribution and strengthen the nomination.
4. Invite students to draw pictures or write letters about the nominee, keeping the total number of student support letters to 25.
