Education Partners Round Table Discussions

➡ Meet the Minister and Deputy

It is Minister Hal Perry and Deputy
Minister Susan Willis' first year in their
current roles with the Department of
Education, Early Learning and Culture.
They will introduce themselves, talk
about what being a minister and deputy
minister is all about, and listen to your
suggestions and concerns.

➡ Meet School Board Trustees

Participate in an informal dialogue with
Chair Fred Osborne and English
Language School Board Trustees: learn
more about the role of the school
trustee and how the Board works and
provide trustees with feedback from a
home and school perspective.

➡ Communications – How can we do it better?

Communications means many things to
many people and we've all had times
when we've felt left out of the loop.
We'll be sharing ideas on how we can
all do a better job at communicating
within the school community - about
everything from small challenges to big
issues.
